the organ

in the chapel of "Espace Bernadette", in Nevers

built in 1867 (Bruker)

is in need of restoration

It is necessary to have good quality accompaniment for the music we use in our ceremonies which bring together parishioners or pilgrims from many cultures to pray near St. Bernadette's Shrine and to learn from her testimony

The Congregation of the Sisters of Charity of Nevers is appealing to the generosity of donors in order to undertake these considerable renovations.

Individuals, groups, or pilgrimages who wish to make a contribution can sponsor one of the 1262 pipes of the organ in the chapel.

A certificate of sponsorship identifying the pipe (stop, name, size and referencing) will be sent to the sponsor. The sponsor will be listed on a register held at "Espace Bernadette" in Nevers.

examples :
